

Lunch Program

Watch Me Grow (WMG) will provide catered lunches for all children once they are able to eat solid food. Lunches will be catered by Good Food Company. Lunch menus will be emailed to parents on a quarterly basis. The lunch program has already been factored into the cost of the tuition rates. If parents choose to forego the catered lunch option they should continue to pack and label their child's lunch, however this will not change the tuition rate.

We understand the due to allergies and dietary restrictions some lunches on the catered lunch menu may not be suitable for your child. If your child is unable able to consume the entrée, parents should provide a lunch substitute. If your child is unable to consume a side dish, WMG can and will provide a substitution.

Please complete the bottom of this form and return to WMG Management.
