Welcoming fall at the Outpatient Mental Health Center

A team of volunteers, including many from Highlight Church, came out on a chilly October day to refresh the landscaping in front of Family Services' **Outpatient Mental Health Center**. They planted colorful mums and hostas, spread mulch and re-stoned the walkways. Their efforts created a wonderful welcoming space for clients and staff at the OMHC. Thank you to the Montgomery County Volunteer Center for a \$200 grant to help cover the costs of the materials.

Decorating at the BAKC

Members of Highlight Church were also on hand at Family Services' **Betty Ann Krahnke Center** in October to help with redecorating two bedrooms. They painted the walls and provided new bedding, lamps and framed positive affirmations. Family

Family Services will host a family winter celebration in conjunction with the **Christmas Tree Santas** tree distribution event. Volunteers are needed for 2-3 hour shifts to help with set up, kids' games/activities, food service and clean up.

Offer companionship and help with everyday tasks

Family Services' **TAY Program** serves young adults (ages 18-25) living with severe emotional and behavioral disabilities who have a psychiatric diagnosis. TAY stands for Transitional Age Youth.

TAY Program staff are looking for an adult volunteer to work with a 25-year old man, offering companionship and support in completing everyday tasks such as doing laundry, making meals and light housekeeping.

The client lives in shared housing in the Germantown area. He enjoys listening to and writing music.

The volunteer would be asked to meet with the client at least once a week for a few hours:

Monday-Friday between 2:00 p.m. - 6:00 p.m.

To learn more about this volunteer opportunity and to apply, contact mary.murphy@fs-inc.org or call 301-840-3183.

Services is so grateful to have the consistent and generous support of Highlight Church!

Happy Halloween at Montgomery Station

Many thanks to the volunteers who helped to make Halloween spooky and delicious at Family Services' Montgomery Station!

In late October, a group from Target Community and Educational Services created ghosts, spiders, mummies and lots of spooky Halloween scenes to decorate the dining room.

They returned on Halloween day and joined a terrific team of volunteers to make a *ghoulish* lunch menu including Mummy Dogs, Moldy Maggot Casserole, Brains on the Half Shell and more (i.e. hot dogs, spinach and rice casserole, and baked apples). The lunch was a big hit!

Thank you to all the volunteers who contributed to this event including groups from Wells Fargo and the Montgomery County Department of Housing and Community Affairs (DHCA).

Early Head Start monthly events

Volunteers helped at three separate **Early Head Start** events during the month of October. Early Head Start staff greatly appreciate volunteer support in setting and cleaning up for events, helping with activities and childcare, and even offering Spanish/English interpretation. Below an energetic team helped with kids' activities at the Male Involvement family celebration at the end of the month.

EHS has two events in November that need volunteers. Contact mary.murphy@fs-inc.org if you can help. Students 16 and older are welcome to volunteer.

Volunteers from DHCA also helped earlier in October to prepare a variety of salads for Montgomery Station's annual fall picnic. Although the rain forced the celebration inside, it didn't dampen the spirits of the clients and staff who enjoyed a fun afternoon.
